

## Covid 19 UPDATE

Like all of the hospitality industry the Camellia Rose Inn has been greatly affected by the Covid 19 pandemic with closures, event cancelations, and travel bans, however, WE ARE OPEN! We want to update you on our in house procedures to ensure our guests are getting a safe, and clean place to stay! We are following the current guidelines set forth by the federal and state levels of government. Because our guests and staffs safety are our top priority, we are adhering to the following:

- All of our rooms, cottages, suites and common areas are cleaned and sanitized from top to bottom.
- All surfaces, light switches and door knobs are being sanitized throughout the day.
- We allow 48 hours between guest checkout and the next guest checkin for cleaning and sanitizing.
- We give you the option of having daily housekeeping in your room, fresh towels are always available, as well as trash removal.
- We accommodate social distancing in our dining room during breakfast as well as dining on our large porches.
- All our delicious snacks are now individually wrapped for your safety.
- Our cancelation policy has been adjusted so you will have the option to cancel your room with just 24 hours notice during these uncertain times with no cancelation fees.
- SADLY there will no more hand shakes or hugs, and those of you that know me understand how difficult the "no hugging" policy is!
